

## ATHENS PHOTO CONTEST

*What is the best memory of your ATHENS week?*

### PARTICIPATION

You are eligible to participate if:

- You are a student taking part in the March 2017 ATHENS session;
- You are a former ATHENS student: you participated in the ATHENS programme in the past 20 years.

### AGENDA

Photo submission will be opened from March 11, 2017 (first day of the March 2017 ATHENS session) until May 11, 2017.

Six semi-finalists will be selected through public ranking (process is further detailed in the 'Contest Rules' section of this document).

During the **June 2017** ATHENS General Meeting, the ATHENS coordinators will select the **final three winners** within the set of six semi-finalists.

Photo works of the six finalists will be presented and exhibited during the **December 2017** General Meeting / Celebration of the 20 Years of the ATHENS Network in Paris.

### CONTEST RULES

- The theme of the contest is 'The best memory of your ATHENS week';
- The contest is opened to students participating in the 2017 ATHENS March session and to former ATHENS students;
- The contest lasts 2 months, from March 11 to May 11, 2017;
- Students may submit up to two photos;
- Each photo should include a description phrase;
- Black and white or colour photos are accepted;
- Photos may be digitally modified but cannot be purely digital or drawing works;
- Photos cannot exceed a file size of 12 megabytes;
- Students must keep a high-resolution version of their work suitable for printing (this version will be asked to finalists). Minimum resolution should be 2048x1361 pixels at 300 DPI;
- By submitting, students declare they agree to yield copyright ownership to the ATHENS Network (they remain authors of their work, as stated by law);
- By submitting, students declare the subject of their work complies with publication requirements;
- As a first step, students submit their work through Instagram for public ranking: they **must tag** their submission **#athens20years** with the abbreviation of their home institution.  
Example: #athens20years #tudelft  
Partners within ParisTech must be referred as the 'ParisTech' institution (#paristech);
- Work is submitted to public appreciation, through the 'like' grading system;
- Six finalists are selected at the end of May 2017;
- The assembly of coordinators selects three final winners in early June 2017.
